## WHITE GUIDE NORDIC LAUNCHES WITH LIST OF 250 TOP RESTAURANTS

**The first issue of The White Guide Nordic was launched today in Oslo. More than 100 journalists and restaurateurs took part in the event. The new guide covers the 250 best restaurants in Denmark, Sweden, Norway, Finland, Iceland and the Faroe Islands.**

The guide includes 86 restaurants in Sweden, 71 in Denmark, 2 in the Faroe Islands, 43 in Norway, 1 in Svalbard, 38 in Finland and 9 in Iceland. The top 30 restaurants will be ranked on the "Top 30 Nordic List" and given extensive reviews. All restaurants are rated and grouped by country, category and location.

The White Guide Nordic 2015 edition will be sold through established channels and distributed via partners.

### Quotes

"Today, international interest in Nordic gastronomy is huge and there is growing demand for a quality guide to the restaurant experiences in the Nordics – covering not only the capitals, but also the top restaurants in other major cities and in the countryside", says Mikael Mølsted, editorial manager.

"The news about the vivid restaurant scene in the Nordics has spread far and wide, followed by an increasing wave of tourists. This guide will help them make informed restaurant choices, not only when it comes to the well-known top restaurants but also in finding the lesser known local gems.", says project manager Lena Ilkjaer.

**For the Top 30 Nordic List and ranking of the restaurants in The White Guide Nordic 2015, see enclosed documents.**

**For national ranking in each country, press release, photos and background information, see [whiteguide-nordic.com/press](http://whiteguide-nordic.com/press)**

**NB. For Sweden and Denmark, points are mainly based on the national White Guides 2014 with some additions from the continuous testings for the national White Guides 2015.**

### The White Guide

The White Guide has been the leading restaurant guide in Sweden since 2004 and was launched in Denmark in early 2014. These guides cover over 800 restaurants in the two countries, promoting continuous development in the world of gastronomy in this dynamic region.

The White Guide Nordic 2015 is a comprehensive restaurant guide in English covering the 250 best restaurants in Denmark (including the Faroe Islands), Sweden, Norway (including Svalbard), Finland and Iceland. NB. For Sweden and Denmark, points are mainly based on the national White Guides 2014 with some additions from the continuous testings for the national White Guides 2015.
